

Ellwood Community Primary School

Believe, Achieve, Belong

Pupil Premium Policy

Date reviewed: March 2023

Next renew date: 2024

Intent of the policy

- To provide background information about the Pupil Premium grant so that all members of the school community understand its purpose and which pupils are eligible.
- To set out how the school will make decisions on Pupil Premium spending and to outline the outcomes we expect so that these can be monitored and evaluated.

Overview

The Pupil Premium was introduced in April 2011, and paid by means of a specific grant based on school census figures for pupils. Pupil Premium is calculated by the number of FSM children at the school in addition to the number of looked after children, who attend the school, calculated using the Children Looked After data returns. A premium has also been introduced for children whose parents are currently serving in the armed forces. This service premium is designed to address the emotional and social well-being of these pupils. The Pupil Premium is additional to main school funding and it will be used by this school to address any underlying inequalities between children eligible by ensuring that funding reaches the pupils who need it most.

Objectives

- The Pupil Premium will be used to provide additional educational support to improve the progress and to raise the standard of achievement for these pupils;
- The funding will be used to try and reduce the gap between the achievement of these pupils and their peers;
- As far as its powers allow the school will use the additional funding to address any underlying inequalities between children eligible for Pupil Premium and others; e.g. club/trip/attendance.
- We will endeavour to ensure that the additional funding reaches the pupils who need it most and that it makes a significant impact on their education and lives.

Strategies

- Pupil Premium will be clearly identifiable within the budget;
- The Head teacher, in consultation with the governors and senior staff, will decide how the Pupil Premium is spent for the benefit of entitled pupils;

- The school will assess what additional provision should be made for the individual pupils;
- The school will be accountable for how it has used the additional funding to support the achievement of those pupils covered by the Pupil Premium and the Head teacher will report to the governing body/stakeholders (available on the website) on how effective the intervention has been in achieving its aims;
- We will publish online information annually about how we have used the funding, in line with DfE requirements;
- We will ensure that parents, governors and others are made fully aware of the attainment of pupils covered by the Premium;
- We will seek to further develop strategies and interventions which can improve the progress and attainment of these pupils;
- Where other support funding is withdrawn we will seek to address this through the PP funding where appropriate (e.g. Counselling/therapy);
- We will track the impact of the strategies put into place through the funding to ensure that we can show the value that has been added to the education of the entitled children;
- We will monitor, evaluate and review the impact of the Pupil Premium funding.

Outcomes

This policy will play an important part in the educational development of the individual pupils who are entitled to the Pupil Premium.

We will ensure that these pupils are treated equally and as favourably as others and that the additional funding is used well to address the challenges they face. The school will use the additional funding to promote the achievement and progress of all entitled pupils, paying particular regard to the effectiveness of quality first teaching for all vulnerable groups, including Pupil Premium.

Quality First Teaching

- Any pupils who are falling significantly outside of the range of expected standard of achievement will be monitored by class teachers and subject co-ordinators, and interventions put in place.
- If a pupil has been identified as underachieving, or *possibly* having special educational needs, they will be closely monitored by teaching staff in order to gauge their level of learning and possible difficulties.
- The child's class teacher will take steps to provide differentiated learning opportunities that will aid the pupil's academic progression and enable the teacher to better understand the provision and teaching style that needs to be applied. Interventions will be monitored, progress assessed and adjustments to differentiation made where necessary.
- The PP lead and SENCo, when appropriate, will be consulted as needed for support and advice and may wish to observe the pupil in class.
- Through (b) and (d) it can be determined which type of provision the child will need going forward.
- Parents will be informed of their child's development and the circumstances under which they are being monitored.

Through effective use of this additional funding we are fully committed to ensuring that the individual needs of each entitled child are met. As a result of the additional funding, we hope that these children will make better progress and achieve higher standards than would have been likely without it.

Monitoring and Review

The Governing Body will review this policy annually and assess its implementation and effectiveness.
