Carpark

As you are aware the carpark has been re-surfaced over the half term break. We are really pleased with it and hopefully it will be much smoother to driver on! The land on which the car park is sited does not belong to school but to the Forestry Commission who kindly give us permission to have use of it. Therefore, we are unable to put down any permanent surface such as tarmac or concrete, as it has to be easily removed and porous. Due to this, the carpark will require ongoing maintenance. We are pleased with the current surface and as time goes on, it will pack down and settle.

Parent Consultations

Parents should have received a Parent Consultation letter. If you have not already done so please complete and return the letter to school as soon as possible. Please note if your child has a My Plan or My Plan +/EHCP (SEND need) you will be offered a longer 'Shared Conversation' on a separate appointment letter. If you are going to a 'Shared Conversation' meeting then you do not need to attend Parent Consultation meeting as well.

Parent Consultations

Please let the teacher/office know if parents are separated and both need a separate Parents Consultation

Disco

'Friends' would like to thank everyone for coming along to support the Disco. All the children had a great time and were really well behaved.

The school would like to thank Zoe Lister and the Friends Association for organising and supporting the event. Thanks also to those staff and parents who helped out.

A great evening was had by all and we managed to raise and amazing £180 ! Well done!

If a separated parent is not allowed contact/communication about a child, we will need to see the legal document to ensure this is the case.

World Book Day

World Book Day is on Thursday 2nd March. Children may come to school on that day dressed as a character from their favourite book.

We are also holding a book swap event where children can bring in any unwanted good condition children's books which may be swapped for another book. The book swap will take place on Thursday afternoon, in the hall.

Healthy snack - reminder

Attendance

Overall attendance is good at the moment - keep it up!

A few pupils with persistent absence, under 90% is impacting on the overall attendance. We will be working with these Pupils and families in the future to see if this can be improved.
