

# Ellwood Community Primary School – Specific Subject Overview

## Willow Class – Autumn Term 1

### DT

We are designing and making automata toys. We will learn about the structure of these toys and how cams work. We will also learn about health and safety rules when using saws and glue guns. We will construct the toys and then evaluate the overall design and making process.

### Life Skills

We will be learning about hygiene in different forms. We will explore how microbes can cause different harmful diseases and how we can keep ourselves safe and prevent them.

### Computing

We are learning about E-Safety and how we keep ourselves safe when online. Children will explore different things to look out for and learn how to report issues that they are concerned about.

### History

We will be learning about the life and achievement of the Romans in Britain.

## Autumn Term 1

### Music

We will be learning about South and West African music. We will be listening to music composed in Africa. We will then be using xylophones to play along singing. We will then be using drums to create short pieces of music.

### RE

This term we will be learning about Islam. We will be answering the question 'what is it like to be a Muslim in Britain?'

### PE

#### Netball

This term we will be learning how to pass the ball in netball and what different positions there are.

### Languages

We are going to be learning about family and developing language and sentence structure about this. We will talk and write about family members and include what they like and dislike.
